CONTROL MEASURES		ADDITIONAL INFORMATION		
<p><i>Note: you <b>must</b> amend and adapt this generic risk assessment to suit your own needs by selecting the controls from the examples provided (adding and amending others where necessary) and then evaluate the overall risk for the activity/situation.</i></p>				
<p>In considering all of the below risks and potential control measures, please be mindful of your duties under the <a href="#">Equality Act</a> by ensuring that there is no adverse impact on any particular group of staff / pupils with protected characteristics</p>				
<p><b>Contact Between Individuals Not Minimised and Social Distancing Measures Not Followed</b></p>				
Consistent groups are in place which reduces the risk of transmission by limiting the number of pupils and staff in contact with each other to only those within the group	Details;- Rainbow (EYFS) Bubble Earth (Y1/2) Bubble Neptune (Y3/4) Bubble Mars (Y5/6) Bubble	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The school keeps a record of pupils and staff in each group, and any close contact that takes	Staff timetable completed and TAs	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

places between children and staff in different groups	allocated to specific classes during each week. Records accessed through Bromcom			
Distinct groups or 'bubbles' that do not mix are maintained which makes it quicker and easier in the event of a positive case to identify those who may need to self-isolate and to keep that number as small as possible	Rainbow (EYFS) Bubble Earth (Y1/2) Bubble Neptune (Y3/4) Bubble Mars (Y5/6) Bubble	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Primary schools may be able to implement groups that are the size of a full class. If that can be achieved, it is recommended, as this will help to reduce the number of people who could be asked to isolate should someone in the group become ill with coronavirus (COVID-19).	Rainbow (EYFS) Bubble Earth (Y1/2) Bubble Neptune (Y3/4) Bubble Mars (Y5/6) Bubble Big Otters- ASC Sports Clubs will be Bubble groups only.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In the younger years in Secondary Schools (key stage 3), schools may be able to implement groups that are the size of a full class. If that can be achieved, it is recommended, as this will help to reduce the number of people who could be asked to isolate should someone in group become ill with coronavirus (COVID-19).		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
In Secondary Schools, and certainly in the older age groups at key stage 4 and key stage 5, the groups are likely to need to be the size of a year group to enable schools to deliver the full range of curriculum subjects and students to receive specialist teaching. If this can be achieved with small groups, they are recommended		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Whatever the size of the group, they are kept apart from other groups and older children are encouraged to keep their distance within their groups	<b><u>Arrival and collection times will be staggered for each 'Bubble'</u></b> <b>See Guidance document</b>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools with the capability to do it should take steps to limit interaction, and the sharing of rooms and social spaces between groups as much as possible	Children will stay in classrooms and play areas each day. Hall will be used for staggered lunchtime.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<p>Rainbow Bubble will eat in own classroom through separate entrance and exit.</p> <p>Staff room has a limit of 4 adults in at any one time.</p> <p>Daily 5 minute briefing will be SD in the main hall.</p> <p>Big Otters ASC will operate from the Rainbow Room and the Hall and will have a different entrance to all other children and Hall.</p> <p>Children will wash hands on arrival at Big Otters and also when leaving to go to class on a morning.</p>			
<p>It is recognised that younger children will not be able to maintain social distancing, and it is acceptable for them not to distance within their group</p>	<p>Children are aware of the meaning of Social Distancing and try to adhere to it.</p> <p>All classrooms have extra cleaning in place to ensure resources and equipment are regularly cleaned.</p> <p>Children will have their own resources in a named pencil case provided by school.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Schools keep children in their class groups for the majority of the classroom time, but also allow mixing into wider groups for specialist teaching, wraparound care and transport</p>	<p>Intervention groups when needed will be in the well ventilated hall at large tables with SD measures in place.</p> <p>Only one Bubble will have interventions at one time.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<p>Specialist teaching eg Music/PE will be in groups from ONE Bubble only. Social Distancing will be adhered to at all times.</p> <p>UKELELE/Violin LESSONS Guidelines in place from NYCC Music hub- teacher in each week .</p> <p>Rooms will be well ventilated and cleaned between groups.</p> <p>Own resources will only be used.</p>			
Siblings may be in different groups	<p>Children will be kept in year group Bubbles and so may be in different Bubbles during the school day.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Teachers and other staff operate across different classes and year groups in order to facilitate the delivery of the school timetable	<p>PPA Cover will mean only three staff members will join different Bubbles during the week. Teachers and TAs will be consistent in other Bubbles.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where staff need to move between classes and year groups, they should keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults	<p>PPA staff are aware of SD and have tabards reminding others to keep to 2m SD .</p> <p>PPA will be on three days only during each week to cover PPA</p> <p>They will wash hands and change their tabard before starting with the Bubble.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The number of interactions or changes are minimised wherever possible	<p>This will be minimised wherever possible</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>Where possible adults maintain a 2 metre distance from each other, and from children</p>	<p>Social Distancing notification all around school, tabards worn by staff are a reminder of SD at all times. Staff room will only allow 4 staff in at a time to allow 2m SD.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Adults avoid close face to face contact and limit time spent within 1 metre of anyone</p>	<p>Space in school means all staff can stay 1m away from other adults at all times. Face masks will be worn in communal areas by staff.</p> <ul style="list-style-type: none"> <li>- direct close contacts - face to face contact with an infected individual for <b>any length of time</b>, within 1 metre, including being coughed on, a face to face conversation, or unprotected physical contact (skin-to-skin)</li> <li>- proximity contacts</li> <li>- extended close contact (within 1 to 2 metres for more than 15 minutes either as a one-off contact or added up together over one day) with an infected individual</li> </ul> <p><a href="#">Guidance-for-contacts-of-people-with-possible-or-confirmed-coronavirus-covid-19-infection-who-do-not-live-with-the-person/guidance-</a></p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<a href="#">for-contacts-of-people-with-possible-or-confirmed-coronavirus-covid-19-infection-who-do-not-live-with-the-person</a>			
Staff in Secondary schools maintain distance from their pupils, staying at the front of the class, and away from their colleagues where possible		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Educational and care support is provided as normal to pupils who have complex needs or who need close contact care with other increased hygiene protocols in place to minimise the risk of transmission	Same member of staff to work with children with specific needs. RA available in school for each child.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools, local authorities, health professionals, regional schools commissioners and other services work together to ensure that children with medical conditions are fully supported, including through the use of individual healthcare plans, so that they may receive an education in line with their peers	In some cases, the pupil's medical needs will mean this is not possible, and educational support will require flexibility. <a href="#">Our guidance on supporting pupils at school with medical conditions</a> remains in place	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils are seated side by side and facing forwards, rather than face to face or side on	Desks are facing the front of the room so the teacher can stand behind children to give feedback and children are not facing each other to limit any possible airborne transmission.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Unnecessary furniture has been moved out of classrooms to make more space	All classrooms are streamlined and all resources are in cupboards and taken out only when required and wiped down with cleaning fluid after use.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>Large gatherings such as assemblies or collective worship with more than one group do not take place</p>	<p>Collective Worship is daily in class. Shining Star Collective Worship is through TEAMS each week. CW Visitors are providing video assemblies on our Christian Value. Advice received from York Diocese Education team.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>The timetable and selection of classroom or other learning environment has been used to keep groups apart and reduce movement around the school or building</p>	<p>Avoid creating busy corridors, entrances and exits All timetables are within the classroom or Bubble outdoor space. ALL Bubbles to access Nature Garden for extended outdoor learning. PE will be outdoors when possible. If indoors the class will be split and only half will do PE in the hall. Equipment will be cleaned after use by Bubble.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Break times are staggered so that all pupils are not moving around the school at the same time</p>	<p>Staggered breaks mean children play within their Bubble only and staff breaks times are staggered to minimise numbers using staff room. Please see Guidance Document All Bubbles have their own external door/ play area and toilets and so can take break time without contact with any other Bubble.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>Lunch breaks are staggered</p>	<p>Staggered lunchbreaks mean children eat in their Bubble and staff lunch times are staggered to minimise numbers using staff room. Lunchtime will be staggered.</p> <p>*11.45am-12.10pm: Rainbow BUBBLE- different location</p> <p>*11.45pm-12.10pm: Earth BUBBLE</p> <p>*12.10-12.35pm: Neptune Bubble</p> <p>*12.35pm-1pm Mars Bubble</p> <p>*UFSM for any Reception, Y1 and Y2.</p> <p>*Usual online payment system in place for school lunch payments on MCAS- no cash in school.</p> <p>*Packed lunch boxes/bags will be wiped down on arrival at school.</p> <p>*Packed lunch trolley to be wiped down at lunchtime and at the end of the day.</p> <p>Staff to wear face coverings in the dining hall. Face coverings will be encouraged but optional.</p> <p>Please see Guidance Document</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
-----------------------------------	--	-------------------------------------	--------------------------	--------------------------

<p>Numbers of staff using Staff Room are limited or the use of Staff Room is staggered to ensure that staff maintain 2 metres distance from each other</p>	<p>Limited number of chairs in the Staff room are SD to ensure staff cannot sit within 2 metres of each other. Staff have a break of a reasonable length during the day Only 4 members of staff in the Staff room at one time. 4 members of staff in staff room Notices remind staff or frequent wiping down of eg.microwave/kettle handles.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Staff meetings take place remotely where possible. Where this is not possible staff meetings take place in a large well ventilated room ensuring 2 metres social distancing at all times</p>	<p>Staff meetings are on TEAMS and SD used in Briefing . Face coverings worn to eliminate risk. Face coverings will be encouraged but optional.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Consideration given to staggered starts or adjusting start and finish times to keep groups apart as they arrive and leave school</p>	<p>Staggered start and finish times should not reduce the amount of overall teaching time. A staggered start may include: condensing or staggering free periods or break time but retaining the same amount of teaching time keeping the length of the day the same but starting and finishing later to avoid busy periods</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Parents' drop-off and pick-up protocols planned to minimise adult to adult contact</p>	<p><a href="#">CYPS Bulletin</a> *Taxi driver (if applicable) to wait in the layby and taxi</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<p>pupils will be brought to the taxi.</p> <p>*Parents who have siblings in different Bubbles will arrive between the two times and wait at a playground dot for both children.</p> <p>*HT available to encourage parents to leave the premises straight after school.</p> <p>Face coverings will be worn unless exempt.</p>			
All parents/carers entering the school premises (and in other congested areas around school premises) wear a face covering in addition to social distancing	This an extra safeguard to reduce the transmission of the virus. Please note that this does not apply to those who are medically exempt	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Ensure that you inform those travelling by car that they should wait in their car until the specific drop off time	This will reduce the amount of people assembling in and around the school grounds and will help with social distancing	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Ensure that you inform parents to maintain social distancing from others when dropping off and collecting pupils from school	This will reduce the amount of people assembling in and around the school grounds and will help with social distancing. <u>Included on weekly Guidance document</u>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents and pupils are told their allocated drop off and collection times and the process for doing so, including protocols for minimising adult to adult contact (for example, which entrance to use, only one adult per family	<u>Included on weekly GUIDANCE FOR PARENTS DOCUMENT</u>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

should enter school grounds to drop off or collect)				
It is made clear to parents that they cannot gather at entrance gates or doors, or enter the site (unless they have a pre-arranged appointment, which should be conducted safely)	See above for Guidance document AND: *PARENTS MUST RING AND ARRANGE AN APPOINTMENT IF THEY NEED TO SPEAK TO A TEACHER OR HEADTEACHER	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools can resume educational day visits from 12 April	Any educational day visits must be conducted in line with relevant coronavirus (COVID-19) secure guidelines and regulations in place at that time. This includes system of controls, such as keeping children within their consistent groups and the COVID-secure measures in place at the destination	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Domestic and International residential educational visits must not take place at this time. This will be reviewed no earlier than 17 May		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Schools can undertake domestic residential education visits, from 17 May	Any domestic residential educational visits must be conducted in line with relevant COVID-19 guidance and regulations in place at that time.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils are kept within their consistent groups (bubbles) for the purpose of the domestic residential educational visit		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Given the likely gap in COVID-19 cancellation related insurance, schools considering booking a new visit are advised to ensure that any new	You should speak to either your commercial	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

bookings have adequate financial protection in place	insurance provider, the Risk Protection Arrangement (RPA) or an outdoor education adviser to assess the protection available and make sure it provides suitable protection in the event of a COVID-19 related cancellation			
Schools do not go on any international visits this academic year up to and including 5 September 2021	The position beyond 5 September will be reviewed again in advance	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
School will work to resume all before and after-school educational activities and wraparound childcare for pupils	Big Otters and Sports Lead ensure they are considering carefully how such arrangements can operate within their wider protective measures and should also have regard to any other relevant government guidance- this is sent to Parents in information regarding Clubs and Weekly Guidance	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School works closely with any external wraparound providers which their pupils may use, to ensure as far as possible, children can be kept in a group with other children from the same bubble they are in during the school day	Big Otters and Sports Lead ensure they are considering carefully how such arrangements can operate within their wider protective measures and should also have regard to any other relevant government guidance	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If the provision is taking place indoors and it is not possible to group children in the same bubble as they are in during the school day, providers should try to keep them in consistent	Big Otters and Sports Lead ensure they are considering carefully how such	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

groups of no more than 15 children and at least one staff member	arrangements can operate within their wider protective measures and should also have regard to any other relevant government guidance. Information for Parents included in Weekly Guidance			
From 17 May, where wraparound and other extra-curricular activities for children are taking place indoors, they will be able to take place in groups of any number	However, it remain important to continue to minimise mixing between children, where possible. This can be achieved by continuing to keep children in consistent groups every time they attend the setting	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Smaller groups should be considered when it is not possible to keep children in consistent groups every time they attend the setting		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
When considering appropriate group sizes important factors such as the recommended occupancy levels of the premises you are operating from and levels of ventilation are taken into account	For example, guidance for <a href="#">providers of grassroots sports and sport facilities</a> recommends that the maximum occupancy of an indoor facility should be limited by providing a minimum of 100sqft per person.  The guidance for <a href="#">providers who run community activities, holiday clubs, after-school clubs, tuition and other out-of-school provision for</a>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<a href="#">children</a> may help you to plan extra-curricular provision, including appropriate group size			
Activities taking place outdoors can happen in groups of any number	This is because the transmission risk is lower outside	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where parents are using external childcare providers or out of school extra-curricular activities for their children, you should also: advise them to limit their use of multiple out-of-school settings providers, and to only use one out-of-school setting in addition to school as far as possible. <ul style="list-style-type: none"> <li>encourage them to check providers have put in place their own protective measures</li> <li>send them the link to the <a href="#">guidance for parents and carers</a></li> </ul>	Included in Weekly Guidance to parents.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If school premises are hired out for use by external wraparound childcare providers, such as after-school or holiday clubs, school have made sure these organisations have: <ul style="list-style-type: none"> <li>considered the relevant government guidance for their sector</li> <li>put in place protective measures</li> </ul>		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<b>Social Distancing Measures Not Followed During Travel to and from School</b>				
Parents and pupils are encouraged to walk or cycle to their education setting where possible	Guidance document encourages this: Posters from Government around school and site- 40 in total from a selection in Appendix from Government Guidance December 2020	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Schools, parents and pupils following the government guidance on how to travel safely, when planning their travel on public transport	<a href="#">Safer travel guidance for passengers</a> Taxi driver following NYCC Guidelines for taxi transport- if used.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

**Inadequate Cleaning/Sanitising**

<p>A cleaning schedule that ensures cleaning is generally enhanced and includes more frequent cleaning of rooms / shared areas that are used by different groups is in place</p>	<ul style="list-style-type: none"> <li>*Cleaning in classrooms will be frequent as agreed, daily tick list completed by staff and Caretaker.</li> <li>*Cleaning box available in all Bubbles and daily tick list completed by Caretaker.</li> <li>*Teachers will stand behind pupils to view work.</li> <li>*Toys will be cleaned at the end of the session.</li> <li>*Play equipment will be wiped down at the end of each lunchtime.</li> <li>*All classrooms will be clear of clutter and work surfaces can be wiped down regularly with antibacterial spray.</li> <li>*Toilets will be regularly cleaned at 'Pinch Points'</li> <li>*Children must not bring anything into school, children will receive their own resources which will be in a pencil case and kept in school.</li> <li>*Water bottles to stay in school each day and will be washed with hot soapy water at the end of the day</li> </ul>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

PPE and antibacterial available.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to how play equipment is used ensuring it is appropriately cleaned between groups of children using it	Staff in Bubbles aware of regular cleaning procedures and completing daily checklist to ensure all areas covered and wiped down at regular intervals during the day.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Outdoor playground equipment should be more frequently cleaned	Currently out of use on playground and wiped down in EYFS	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<b>Shared Resources</b>				
For individual and very frequently used equipment, such as pencils and pens, it is recommended that staff and pupils have their own items that are not shared	School has purchased a pencil case for every child in school. Paid for by non-uniform day at end of term.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Classroom based resources, such as books and games, can be used and shared within the bubble; these are cleaned regularly, along with all frequently touched surfaces	Staff in Bubbles aware of regular cleaning procedures and completing daily checklist to ensure all areas covered and wiped down at	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	regular intervals during the day.			
Resources that are shared between classes or bubbles, such as sports, art and science equipment should be cleaned frequently and meticulously and always between bubbles, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles	Each Bubble has own equipment and if shared in PE is wiped down after use. Rota for outdoor equipment in place and isolation time included between Bubble use eg. Reading Shed, trim trail.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils should limit the amount of equipment they bring into school each day, including essentials such as lunch boxes, hats, coats, books, stationery, bags and mobile phones (depending on school policy)	Children should still not bring anything into school, children will receive their own resources which will be in a pencil case and kept in school. PE and PE trainers worn on day of PE lesson. Water bottles to stay in school each day and will be washed with hot soapy water at the end of the day No resources brought in from home except Red Reading bag Staff tabards to be washed in the washing machine at the end of each day and a clean one worn daily.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The ability to clean equipment used in the delivery of therapies, for example, physiotherapy equipment or sensory equipment has been assessed and where cleaning or disinfecting is not possible or practical, resources will be either: • restricted to one user	Determine whether this equipment can withstand cleaning and disinfecting between each use before it is put back into general use	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

<ul style="list-style-type: none"> <li>• left unused for a period of 48 hours (72 hours for plastics) between use by different individuals</li> </ul>				
<p>Pupils and teachers can take books and other shared resources home, although unnecessary sharing should be avoided, especially where this does not contribute to pupil education and development. Rules on hand cleaning, cleaning of the resources and rotation apply to these resources</p>	<p>Children’s books will be left in school if possible. Staff tabards to be washed in the washing machine at the end of each day and clean one worn daily.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Devices/ laptops/tablets etc. that are brought from home to school and back again are cleaned at the start and end of the day</p>	<p>All laptops to be wiped down when returning home and then when brought back into the classroom.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p><b>Spread of Coronavirus to Staff, Pupils and Families, Visitors and Contractors</b></p>				
<p>Contact with individuals who are required to self-isolate is minimised by ensuring they do not attend the school</p>	<p>Ensuring that pupils, staff and other adults do not come into the school if they have <a href="#">coronavirus (COVID-19) symptoms</a>, or have tested positive in the last 10 days, and ensuring anyone developing those symptoms during the school day is sent home, are essential actions to reduce the risk in schools and further drive down transmission of coronavirus (COVID-19) Guidance to all: *Long hair to be tied back, no jewellery. *Children must not attend school if they have any symptoms of coronavirus.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<p>*It is advised that if any pupil has <b>ANY</b> illness they are kept at home as they will be placed in the Medical Room with a member of staff wearing PPE if they are unable to adhere to 2m SD until they are collected, which should be immediately.</p> <p>Any staff with any symptoms will be asked to leave the site and make an immediate appointment for a Key Worker test.</p>

Where a pupil routinely attends more than one setting on a part time basis, for example because they are dual registered at a mainstream school and a special setting, the settings should work through the system of controls collaboratively, enabling them to address any risks identified and allowing them to jointly deliver a broad and balanced curriculum for the pupil. Pupils should be able to continue attending both settings.	While some adjustment to arrangements may be required, pupils in this situation should not be isolated as a solution to the risk of greater contact except when required by specific public health advice	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<b>Site User Developing Symptoms</b>				
Schools must ensure that staff members and parents/carers understand that they will need to be ready and willing to <a href="#">book a test</a> if they are displaying symptoms. The main symptoms are a high temperature, a new continuous cough and/or a loss or change to your sense of smell or taste. Staff and pupils must not come into the school if they have symptoms, and must be sent home to self-isolate if they develop them in school. All children can be tested if they have symptoms, including children under 5, but children aged 11 and under will need to be helped by their parents or carers if using a home testing kit	The advice service (or PHE local health protection team if escalated) will provide definitive advice on who must be sent home. A template letter will be provided to schools, on the advice of the health protection team, to send to parents and staff if needed	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School have received an initial supply of 10 PCR test kits before the start of the autumn term in 2020 and information about how to order to replenish this supply when they are running out	You can replenish these kits when they run out by making an order through the online portal. You should call the Test and Trace helpdesk on 119	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School determines how to prioritise the distribution of their test kits in order to minimise the impact of the virus on the education of their pupils.	The test kits sent to schools are provided to be used in the exceptional circumstance that an individual becomes symptomatic and schools believe they may have barriers to accessing testing elsewhere. These kits can be given directly to staff or parents and carers collecting a child who has developed symptoms at school. In particular, these tests kits will also help ensure that symptomatic staff	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	can also get a test and if they test negative, can return to work as soon as they no longer have symptoms of coronavirus (COVID-19). Further information is provided in our guidance <a href="#">Coronavirus (COVID-19): test kits for schools and FE providers</a> .			
The asymptomatic testing programme does not replace the current testing policy for those with symptoms. Whilst awaiting the confirmatory PCR result, pupils, students and staff and close contacts should continue to self-isolate		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>Transparent face coverings can also be worn, but only to assist communication with someone who relies on lip reading, clear sound or facial expression to communicate</p>		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<p>Face visors or shields can be worn by those exempt from wearing a face covering but they are not an equivalent alternative in terms of source control of virus transmission</p>	<p>Visors may protect against droplet spread in specific circumstances but are unlikely to be effective in</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	preventing aerosol transmission, and therefore in a school environment are unlikely to offer appropriate protection to the wearer. Visors should only be used by those exempt from wearing a face covering after carrying out a risk assessment for the specific situation and should always be cleaned appropriately			
Face coverings do not need to be worn by pupils when outdoors on the premises		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Those who rely on visual signals for communication, or communicate with or provide support to such individuals, are currently exempt from any requirement to wear face coverings in schools or in public places		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils are instructed to: <ul style="list-style-type: none"> <li>• not touch the front of their face covering during use or when removing it</li> <li>• dispose of temporary face coverings in a 'black bag' waste bin (not recycling bin)</li> <li>• place reusable face coverings in a plastic bag they can take home with them</li> <li>• wash their hands again before heading to their classroom</li> </ul>		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Clear instructions are provided to staff on how to put on, remove, store and dispose of face coverings, to avoid inadvertently increasing the risks of transmission		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Safe wearing of face coverings requires cleaning of hands before and after touching – including to remove or put them on – and the safe storage of them in individual, sealable plastic bags between use	Face-coverings provided for staff by school- advice given	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where a face covering becomes damp, it should not be worn and the face covering should be replaced carefully	Staff may consider bringing a spare face covering to wear if their face covering	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	becomes damp during the day Face-coverings provided for staff by school- advice given			
Where anybody is struggling to access a face covering, or where they are unable to use their face covering due to having forgotten it or it having become soiled or unsafe, the school has taken steps to have a small contingency supply available to meet such needs	Face-coverings provided for staff by school- advice given	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School has a process for when face coverings are worn within the school and how they should be removed	This procedure should be communicated clearly to pupils and staff. Face-coverings provided for staff by school- advice given	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Adjustments to be made for pupils with SEND who may be distressed if required to remove a face covering against their wishes		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
PPE will need to be worn by a member of staff if a pupil becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home. A face mask should be worn by the supervising adult if a distance of 2 metres cannot be maintained. If contact with the pupil is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn	<a href="#">safe working in education, childcare and children's social care</a>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
PPE for coronavirus (COVID-19) is required when performing <a href="#">aerosol generating procedures (AGPs)</a>		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
When working with children and young people who cough, spit or vomit but do not have coronavirus (COVID-19) symptoms, only any PPE that would be routinely worn, is worn		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<b>Visitors, Contractors &amp; Spread of Coronavirus</b>				
All visitors and contractors must make pre-arranged appointments or they will not be allowed on site	Communication with contractors regarding visits to school required	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	before admittance to site on appointment. Email address/contact phone number to be recorded for Track and Trace if necessary.			
School ensures site guidance on physical distancing and hygiene is explained to visitors and contractors on or before arrival	All visitors asked to wash hands in Easy Access cloakroom.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where visits can happen outside of school hours, they are arranged as such	Communication with contractors regarding visits to school required before admittance to site on appointment. Email address/contact phone number to be recorded for Track and Trace if necessary.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Contractors to attend by agreement only after school have satisfied themselves that it is necessary for the visit to take place at that time and that all required controls are in place to allow the work to continue safely	Communication with contractors regarding visits to school required before admittance to site on appointment. Email address/contact phone number to be recorded for Track and Trace if necessary.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Contractors to provide updated risk assessment prior to visit which includes their own controls round infection spread prevention	Times of visits may need to be adapted to take in to account the ability to maintain appropriate social distancing measures and availability of resources to effectively clean following the visits	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
As normal, school engages with their local immunisation providers to provide immunisation programmes on site, ensuring	These programmes are essential for	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

these are delivered in keeping with the school's control measures	children's health and wellbeing			
A record is kept of all visitors with sufficient detail to support rapid contact tracing if required by NHS Test and Trace.	Visitors book completed and also usual onsite Contractors HS Authorisation to Work information.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<b>Inadequate Ventilation</b>				
Occupied spaces must always be well ventilated and a comfortable teaching environment maintained	<p>This can be achieved by a variety of measures including:</p> <p><b>mechanical ventilation systems</b> – these should be adjusted to increase the ventilation rate wherever possible, and checked to confirm that normal operation meets current guidance (if possible, systems should be adjusted to full fresh air or, if not, then systems should be operated as normal as long as they are within a single room and supplemented by an outdoor air supply) All classroom windows opened daily and Hall windows open each morning by Caretaker.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Ventilate spaces with outdoor air	<b>Natural ventilation</b> – if necessary external opening doors may also be used provided this doesn't compromise	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	safeguarding measures All classroom windows opened daily and Hall windows open each morning by Caretaker.			
Where possible, occupied room windows should be open	Staff ensuring windows open each day.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Switch air handling units with recirculation to 100% outdoor air where this is not possible, systems are operated as normal	Further advice on this can be found in Health and Safety Executive guidance on <a href="#">air conditioning and ventilation during the coronavirus outbreak</a> and <a href="#">CIBSE coronavirus (COVID-19) advice</a> .	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Prop doors open, where safe to do so (bearing in mind fire safety and safeguarding), to limit use of door handles and assist with creating a throughput of air	Fire doors must not be propped open unless they have a self-closing hold open device fitted	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In cold weather where the school heating system is activated, windows are open to provide trickle ventilation rather than being fully open	<b>natural ventilation</b> – opening windows (in cooler weather windows should be opened just enough to provide constant background ventilation, and opened more fully during breaks to purge the air in the space)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to opening high level windows in preference to low level to reduce draughts	<b>Hall windows opened daily by Caretaker</b>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to only opening every other window instead of all windows when the heating is activated	Staff aware of ventilation required in classrooms	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The school offers flexibility to allow additional, suitable indoor clothing	For more information see <a href="#">School uniform</a> and	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	Parent/Guidance document			
Furniture rearranged where possible to avoid direct drafts	Class teachers aware.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Heating should be used as necessary to ensure comfort levels are maintained particularly in occupied spaces	Heating to be monitored	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
When heating is activated and windows are on trickle vent, consideration is given to employing desk fans to move any stagnant pockets of air	Desk fans are pointed away from people and pointed at walls etc.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
If school needs to use additional heaters they only use sealed, oil filled electric heaters	Electric fan heaters used sparingly due to increased fire and electrical risk	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
